Relevant information:

1. We place no limitations on our programs but we request prudent judgment of physical and mental health, experience and ability for participation in program.
2. While great care and efforts are put in to give you a fixed agenda, due to situations beyond our control (for instance bad weather, personal choices etc.) we may be forced to make few changes in the program.
3. We stress on the need to adhere to the suggested safety measures to be better prepared.
4. We expect participants to be friendly to the environment and avoid littering.
